

New Fire Truck Arrives

County Councillors, Town Councillors, members of the Drayton Valley Fire Department and Fire Chiefs from neighboring communities are shown here in front of the Drayton Valley Fire Hall during the arrival of a new county fire fighting truck to be stationed here.

Plans Underway for Second "Miles for Millions" March

Plans have been announced for a "Miles for Millions" march at Drayton Valley on Saturday, May 10th. The march will follow the same route and be similar in other details to last year's successful march that raised \$6,133. for help overseas and charitable work at home.

At a committee meeting last week plans were discussed and decisions reached on a number of points. Committee members working on the event are the same people who organized last year's march, namely, Bob Doig, Bill Johanneson, Ron Smith, Fred Schipper and Father Lynch.

The march will start from the Centennial Civic Centre at 8:00 a.m. and will be controlled throughout its 25-mile length by two-way communications between "Central Control" and radio-equipped trucks at check points.

In the event of rain, a decision to postpone or proceed will be made at starting time.

Sight-seers along the route caused some problems last year, even though many drivers carried supplies and helped marchers in other ways. Their cars added dust and caused marchers to move over to the sides of the road where the walking was harder. With this in mind the committee has expressed the hope of restricting the route to official cars and necessary travel.

Official registration forms are expected to be available this week so that marchers can begin obtaining sponsors. The route map and further details will be printed in next week's paper.

The organizing committee was extremely pleased with last year's march that raised \$6,133 and hopes for another good turnout by town and area residents in response to the great need of many people in Canada and foreign lands.

Of last year's total, \$4,200 was divided between OXFAM, Crossroads Africa and the Indian-

Eskimo Society. Local assistance took \$600 and \$1919 still remains in the account in the Royal Bank.

The committee is interested

in obtaining suggestions on percentages for allocation of funds and invites correspondence from anyone who would like to express his opinion in the regard.

LOOK UP AND LIVE

Spring wouldn't be the same without kite-flying, and although it's great fun, Calgary Power Company representatives point out that it can also be hazardous.

A kite entangled in power lines could be very dangerous, especially if any metal reinforcing should be a part of the string, or if the ground or kite string is wet.

The safest place to fly kites is well away from overhead wires, but if a kite should become entangled, leave it there and get in touch with Calgary Power. Up to Thursday of last week power company employees had removed four or five kites from wires in various parts of town.

Parents are urged to caution children about kite-flying near power lines.

Legion Rally at Warburg

Canadian Legion members who attended last Sunday's District Rally in Warburg are led by the color party marching from the Cenotaph services to an afternoon of meetings in the Warburg High School.

County Fire Truck Delivered Saturday

Representatives of Parkland County, Drayton Valley Town Council, and firemen from town and surrounding communities were present for the delivery of the new county fire truck here Saturday afternoon.

The truck, manufactured by Saskatoon Fire Engine Company Limited, was driven here by a company employee from Calgary. Keys of the vehicle were formally presented to Fire Chief Don Greiner by County Reeve Rudolph Zander of Tomahawk.

The truck will be housed and maintained in Drayton Valley for the benefit of Parkland residents in the surrounding area. A similar arrangement is in effect in the Stony Plain area.

The truck will also be available to augment fire fighting equipment in the town if necessary.

POLICE WARN ABOUT FIRES

With the memory of last year's fire outbreaks throughout the area still fresh in everyone's mind, the Parkland County Police stated this week that prosecutions will follow violations of the Forestry Act.

Permits must be obtained from county officials for any burning between April 1st and November 31st.

New Store To Open

Mr. John Moody, owner of Coin Electric Services Ltd., has announced plans for the opening of the new home centre on April 29th.

The building, across from the Post Office, features a mezzanine floor and a number of added innovations. The store is a very attractive addition to the Drayton Valley business community.

Several advertisements are carried in this week's Western Review announcing specials and features of the grand opening to be run from April 29th through May 3rd.

Prizes will be awarded to several lucky visitors to the store during the opening.

Credit Union Officers Named

At the annual meeting of the Stony Plain Credit Union held in the association's office in Stony Plain recently, Mr. George Mann of Fallis was elected Chairman of the Board.

Mr. Mann and office manager Jack Howatt have extended an invitation to residents throughout the area to visit the office anytime and see what the Credit Union has to offer.

Curlers to Meet

Members of the Drayton Valley Curling Club are reminded that a general meeting of the club will be held at 7:30 p.m. to-night (Wednesday, April 23rd). All members are urged to attend. The meeting is being held at the Curling Rink.

GUIDES' COOKIE DAY MAY 3rd

May 3rd will be Girl Guide Cookie Day in Alberta. Proceeds from the sale of cookies help finance camping, arts and crafts and many other activities in this important citizenship program for girls.

Remember the date and be ready for a call from the Guides. Your support will help ensure the success of a worth while project.

Rotary Club To Observe Anniversary

Fourteenth anniversary celebrations of the Drayton Valley Rotary Club will be held on Saturday, April 26th in the Elks Hall.

Committee Chairman Jack Bright has been busy lately finalizing details and reports everything is now ready for an enjoyable evening by Rotary members and their guests.

Entertainment will be provided by "The Nuggetones"; a barber shop quartet and dancing to music by the Lorenz Orchestra will round out the evening.

EDITORIAL COMMENT

Much is being said and written about student power, alienated youth, the generation gap, etc. Despite some excesses, we believe certain aspects of today's youth revolt represent a healthy expression of dissatisfaction with the dollar-chasing, status-seeking values of our society.

Growing up in a jet age which makes the most remote country accessible in a matter of hours, and facing the ever present threat of nuclear annihilation, it is small wonder that youth feels it must take hold now if this world is to survive. They see ignorance, poverty and hunger on all sides.

An increasing number of young people are seeking ways to serve humanity. Canadian Red Cross Youth provides them with the opportunity to put their energy and ideas to work. Through in-school programmes from kindergarten through high school, more than a million-and-a-half members of Red Cross Youth in Canada are involved in constructive activities in the areas of health education, community service, international understanding and assistance. These young people work together to raise money for food, clothing and medical supplies for children wherever they may be in need. They assist in blood donor clinics, with many over 17 years of age giving blood. They function as volunteers in hospitals.

In the Sudan (North East Africa), Canadian Red Cross Youth undertook a school garden project in a co-operation with the Food and Agricultural Organization of the United Nations and the Sudan Government. They raised funds to purchase well-digging equipment, pumps, seeds and garden tools for use by the Sudanese students in setting up fruit and vegetable gardens.

In Peru, they provide equipment for vocational centres where young people from the surrounding shanty towns are trained in health, nutrition and proper dietary habits, and are taught carpentry, cooking, sewing and similar trades. In these and many other ways, Red Cross Youth is playing its part in giving help and hope to those who suffer or who are in distress.

The concern they express in action for those in need and the leadership experience they are gaining, we believe, will help them to become better people and more able to meet the future challenges of our complex world.

Golf Club Meeting

Annual meeting of the Drayton Valley Golf Club will be held at 8:00 p.m. on Monday, April 28th in the Curling Rink. All members, and anyone interested in golfing, are urged to attend this important meeting.

Legislature Report

BY RALPH JESPERSEN, M.L.A.

The wheels of the Legislature grind on into the tenth week of this present session. There remains much that needs to be done before prorogation. The estimates of a number of Departments still need to be given approval by the Legislature. These include such important Departments as Health, Social Welfare and Youth. Many Bills need to be given final acceptance; about a dozen private Members motions are yet to be debated. Two very important Legislative Committee reports - re-distribution and compensation - have been introduced and a fair bit of discussion on these topics by the M.L.A.s is anticipated.

Bill 42, an Act to amend the School Act was given third and final reading this week. This Bill is of particular interest to myself and specifically to the people of Evansburg and surrounding area and the Regional School Board. The amendments of this Bill endeavor to clarify and solve the problems encountered in the establishing of a Regional School District. When assent to this Bill is given by the Lieutenant Governor the Regional School Board no doubt will proceed with the plans commenced in 1967 to construct the high school.

The question of implementing daylight saving time on a trial

basis this summer compelled the government to consider the matter and made a statement as to their decision. Premier Strom stated that the government would abide by the decision of the 1967 plebiscite in which the people of Alberta rejected Daylight Saving Time. However, the Premier indicated that another plebiscite on Daylight Saving Time would again be held in the next Provincial election.

I referred to the tabling this week of the report of the Special Committee on the subject of Workmen's Compensation and the Workmen's Compensation Act. I would like to make reference to only one of some twenty recommendations made by this committee. The reason I refer to this particular recommendation is that this has been of real concern to some directly involved who have contacted me regarding this matter. I will quote the recommendation and would welcome any comment. "Notwithstanding the provisions of The Workmen's Compensation Act in force at the time of the accident and irrespective of the date of the accident a workman entitled to compensation for permanent total disability shall be paid not less than \$175 a month, and a workman entitled to permanent partial disability compensation assessed at more than 15% of total disability shall be paid a proportionate monthly amount according to the percentage of disability assessed, but nothing in this Section entitles a workman to be paid additional compensation for any period prior to the 1st day of May, 1969.

Cost of Upgrading Pension Benefits - The Committee recommends that the cost of upgrading the pensions in respect of accidents occurring prior to May 1, 1969, be borne by the General Revenue of the Province.

RAMONA NEWS

Last Tuesday evening the Anchor Construction men held a company race for the fun of it. Each man paid a \$2 entry fee with winner take all. At 7 p.m. a large crowd gathered at the race track at West Valley Park for the race. Eight men started with five men running the complete mile. They were: 1st John Gouch, 2nd Ed Kelly, 3rd Al Pipke, 4th Al Maik, 5th Cecil Kelly. The other men who started but didn't run the whole mile were Dave Badgerow, Urban Carrothers and Al Oaks. The race was enjoyed by all the spectators and drew as big a crowd as when the gymkhana horses raced. Hats off to the men for being such good sports.

John and Gwen Melnyk and family drove up to Fort McMurray a couple of weeks ago to visit Gwen's brother Wayne Bullock and family. We hope they had a

good trip.

There's a new little colt on the Stewart farm. The proud owner is Jean Stewart. This is the first colt off the registered quarter horse stud Ken used to have and is now owned by Wayne Floden of Lindale.

We were sorry to hear that Stan Beauchamp lost a cow in the creek on Friday. She went up to get a drink and the bank gave away.

Joyce Hallett was home for the weekend for her sister's wedding. Joyce works in Edmonton.

Mr. and Mrs. Herman Dusterhoft have moved into Drayton Valley to live and their daughter and son-in-law Mr. and Mrs. Neil Norton are running the farm. We hope you are enjoying town living folks.

The Teen Club holds their monthly dance and meeting on Friday, April 25th. I don't know who the chaperones are yet, but everyone is welcome, please bring lunch.

Keith Coombs rode home on the bus and visited with Gordon Kelly on Friday. Keith has been living in B.C. for the past few months so Gordon was real pleased to have his chum move back to the district.

Edmonton Stockyards Third In Canadian Livestock Volume

Highlights of the Edmonton area livestock industry were noted in the 1968 annual report of livestock marketing released recently by the Livestock Division of the Canada Department of Agriculture, Edmonton Public Stockyards.

The report shows receipts of cattle, calves, hogs, sheep and horses at the Edmonton Public Stockyards totalled 511,483 head last year, making the Edmonton Stockyards the third largest in Canada for total livestock volume.

Cattle and calf sales at the Edmonton Public Stockyards totalled 358,749, an increase of 1.1% over 1967. Cattle sales were down 0.8%, however calf sales were up 6.3%. Cattle sales were comprised of 44.5% slaughter

er cattle and 55.5% feeder cattle. Calf sales were comprised of 18.8% slaughter and 81.2% stock calves.

Slaughter cattle sales were made up of 43.4% choice and good steers and heifers, 34.1% cows, and 22.5% common to medium steers and heifers and bulls. The Export Market was relatively inactive in 1968 with only 1,433 head (mostly stock calves) from the Edmonton Stockyards destined for the U.S.A.

Estimated value of all livestock receipts at the Edmonton Public Stockyards was \$68,301,112, down 3% from 1967.

The total estimated value of receipts of cattle and calves delivered to the Edmonton Public Stockyards and direct to packing plants was \$131,897,989, an in-

crease in value of \$4,165,814 over 1967.

Total number of hog carcasses graded in Edmonton plants was up 96,319 (+9.0%) for a total of 1,068,055. Hog receipts at the Edmonton Stockyards totalled 104,304, down 13.1% from 1967. Lamb and sheep receipts on the Edmonton Public Stockyards increased by 4,103 head (+18.5%) for a total of 26,311. Lambs slaughtered in Edmonton packing plants totalled 29,964, down 2,601 (-8.5%) from 1967.

Hog and lamb average prices at the Edmonton Stockyards were above 1967 levels. The average price for slaughter hogs marketed through the Stockyards was \$27.09 per cwt. which was an increase of \$2.08 per cwt.

Quality of all classes of livestock graded at Packing Plants in Edmonton showed some improvement in 1968. Cattle grading figures showed an increase of 2.9% in the percentage of Canada Choice and Canada Good carcasses. Hog carcass gradings showed an increase in Grade 'A' hogs of 3.9% and 1.8% less 'C' Grade hogs. Sheep and lamb grading figures show an increase of 4.3% in the combined Canada Choice and Canada Good grades. Grand total marketings of livestock in the Edmonton centre (Stockyards and Packing Plants) were 1,911,815 head valued at \$181,468,240.

Blood Clinic Held April 14

1969 saw 6 rejects from 159 donors on April 14th, leaving only 153 for Drayton Valley's contribution this year.

The local Nurses Chapter wishes to thank all the people who helped with the Blood Donor Clinic in any way, especially the faithful blood donors who attend every year. Thanks to all of you, and remember, next year bring a friend as well.

Tomahawk Girl Wins 4-H Speaking Contest

The 4-H Stony Plain Council Final Public Speaking, sponsored by the Duffield Beef and Clothing Clubs was held in the Duffield School Auditorium on April 12th.

A very good crowd was in attendance to give their support to the 10 speakers. They were judged by a panel of three who were Miss Penny Westmacott, Dept. of Youth; Mr. Allan Stanford, Supt. Federal Grain; and Mr. B. Wilson, Asst. Supt. of Schools, County of Parkland.

Mr. Gary Webber then presented Linda Piskunowicz with a trophy for first place on behalf of Stony Plain Seed Cleaning Plant.

Ernest Smith on behalf of Mr. Withtoeft of Wabamun Hardware, presented Terry Bentley with a gift for second place.

Third place, Diane Scheide-mand and fourth place, Barbara Smith were presented with gifts by George Astleford on behalf of Mr. Colleen, General Store, Alberta Beach.

Mr. A. Stanford presented all contestants with a pen compliments of Federal Grain.

Mr. Gary Webber, President of the Stony Plain and District Council thanked everyone for attending and explained that Linda and Terry would now participate in the next Public Speak off in Edmonton, April 18th.

Lunch was then served courtesy of Mr. Snow, General Store, Duffield.

At the close of the Speaking, a general meeting of the Stony Plain and District 4-H Council was held.

A discussion was held regarding a barge for Camp He-Ho-Ha and the general feeling of those present was that a barge would be of little value.

A committee has been set up

Tennis Club Plans Lessons

At it's annual meeting held last Thursday, the Drayton Valley Tennis Club elected it's executive for the coming year, they are Father Lynch, president; Mr. Gordon Hay, secretary-treasurer; and Mr. Bruce Boles in charge of membership. Assisting Mr. Boles are Glenn Swanlund, Wendy Retallack and Kathy Bames.

To offset the club's \$1100 deficit, it was decided to run a raffle where 1st prize would be an expensive tennis racket or cash equivalent.

The membership fees, family, adult, student, are the same as last year and are printed on the tennis court bulletin board. A person or family who wishes to become a member is asked to contact any of the above executive.

The executive has voted to install lights which will increase court use - particularly for night time playing for adults.

Tennis lessons for teenagers will be given on Tuesday and Thursday after school and also on Saturday mornings at 10:00 a.m.

Speakers Address Oil Wives Club

The regular monthly meeting of the Drayton Valley Oilwives was held, Monday, April 14th at the Cardium Room with 59 members present.

Lovely spring decorations adorned the tables and walls and a delicious steak supper was served.

Pianist for the evening was Anne Beattie and hostesses were Joan Gerrel and Elsbeth Hagman.

This being Foster Friendship Month, our president lit the friendship candle prior to the evening.

Special Constitution Chairman of the Board, Mrs. Ethel Rault, from Edmonton was also a guest, who later in the evening, gave a very interesting talk on different activities, on Life and Honorary Members.

Carol Gillis interviewed all the girls on the executive in order to acquaint the rest of the members with the executive's duties and what is expected of them. Kay Meraw was nominated as a Board Member.

Mr. Brown of the Better Busi-

ness Bureau from Edmonton was guest speaker for the evening and gave a very informative speech concerning our business world.

Next Executive Meeting to be held Tuesday, May 6th at Nat Bootsma's.

There is a lot of nonsense to the effect that it is better to be poor and happy than to be rich and miserable. How about compromising by being moderately rich and a bit moody?

BERRYMOOR NEWS

Sympathy is extended to Mrs. Van Ember and family on the death of her brother, Mr. Theodore Block. The funeral was held in Edmonton on Wednesday, April 16th.

Mr. and Mrs. Walter Johnston and daughter of Williams Lake, B.C. visited relatives and friends in Berrymoor last week. They were in Alberta to attend the funeral of Walter's brother, John Johnston.

Mr. and Mrs. Hubert Cropley of Prince George, B.C. spent a few days last week at the home of Mr. and Mrs. Lester Cropley. They also visited many friends and relatives in the Berrymoor district and motored to the Innisfail district to visit Hubert's sister Mrs. Alice Miller.

Charles Martin returned to his job on an oil drilling rig on Monday of last week.

On Thursday evening quite a number of friends and neighbors met at the home of Mr. and Mrs. Roy Lawson to wish Mrs. M. Whittaker the best in her new home in Drayton Valley, where she will be living soon. We are sorry to have her leave our community but hope to see her quite often anyway.

Mr. and Mrs. Gordon Tryon and daughter of Ryley, Alberta spent the weekend at the home of Mr. and Mrs. Donald Martin. On Friday, Mae and Gordon attended the wedding of Gordon's brother, George, in Breton.

A social evening and dance was held at the Lindale Hall on Friday evening. We understand that this event was very well attended.

A teen dance was held at the Buck Creek Hall on Friday evening. Quite a number of our local young folks were in attendance.

Congratulations to George Tryon and Connie Larsson who were married in the Breton United Church on Friday, April 18th. A reception and dance followed in the Breton Community Hall.

Mr. and Mrs. Dennis Schwartz have taken residence in Drayton Valley.

Mr. and Mrs. Goerge Van Ember motored to Bear Lake on Sunday. The chilly wind discouraged any fishing activity.

Mr. and Mrs. Marvin Johnston and family of Edmonton spent Saturday with Mrs. Florence Johnston and Leanne.

The Warburg Legion #205 hosted District No. 4 Rally on Sunday, April 20th.

Members of the Berrymoore Three B's Club are reminded that the April meeting of the club will be held at the home of Mrs. Isobel Martin on the afternoon of April 26th.

We are happy to report that Mrs. Ruth Berry is making good progress in an Edmonton hospital. Hope to see you home soon, Ruth.

Mr. and Mrs. Gary Lindahl and Kim motored to Calgary over the weekend.

Word has been received that Frank Plank has passed away in B.C. Mr. Plank resided in Berrymoor many years ago. He and his family lived on the place where George Van Ember now lives. He left Berrymoor about 1933.

Parkland County Fire Chiefs in Drayton Valley last Saturday for the delivery of the new County unit to be stationed in the town are shown here in front of the truck. From left to right are: Bill Wickware, Tomahawk; Hubert Forecast, Entwistle; Adolph Schoepp, Stony Plain, Overall Chief of the County units; Don Greiner, Drayton Valley; and Grant Kulak, Wabamun.

Summary Regular Meeting Of Agricultural Committee

Minutes of meeting of the Agricultural Committee, County of Parkland No. 31 held at the County Office, Stony Plain, Alberta on Friday, March 28, 1969.

Members present were Chairman George Mann, Messrs Robert A. Bailey, Leslie N. Miller and Ivan Vowk, District Agriculturalists Earle Lowe and Darryl Carlson, Agricultural Fieldman William Moelhoff and Secretary Len Webber. Mr. Peter Bakker was in attendance during the afternoon.

PURCHASE OF TRACTOR AND MOWER

The purchase of a tractor and mower for roadside weed control was discussed and referred to the County Council for further investigation.

PEST CONTROL OFFICER - WESTERN AREA

Advice was received that Mr. Fred Cherrington of Moon Lake, Alberta has been appointed as pest control officer for the western area of the County.

On motion by Mr. Miller, it was agreed to recommend to County Council that Mr. Cherrington be paid at the rate of \$2.10 per hour and 12¢ per mile for miles necessarily travelled in the course of his duties, as Pest Control Officer.

WEED INSPECTORS

Mr. Moelhoff reported that one application for weed inspector has been received in response to our advertisement at the University of Alberta for three 3rd year Agricultural students.

It was moved by Mr. Miller that recommendations be made to Council that should the application for employment as Weed Inspector be accepted, that the applicant be hired at the University wage schedule. Carried.

RESALE OF CHEMICALS

The matter of resale of chemicals by the County as a service to ratepayers was again discussed. A price list received from the Alberta Association of Municipal Districts and Counties was received.

It was moved by Mr. Vowk that the County purchase chemicals for resale to ratepayers and that the Agricultural Fieldman select distributors to handle the chemicals for the County. Carried.

AGRICULTURAL ADVISORY COMMITTEE

The appointment of an Agricultural Advisory Committee was discussed and referred to the County Council for advice and recommendation.

TOWNSHIP CAPTAIN - SPRING CALFHOOD VACCINATION

The Agricultural Fieldman advised that Mr. Vern Sorensen of

R.R. 2, Stony Plain, has been employed as a captain to aid the Veterinarian during the spring calfhood vaccination program.

ALBERTA CROP INSURANCE

Advice has been received from the Alberta Crop Insurance Corporation that the portion of the County which was formerly L.I.D.s 77 and 78 is now included in the Crop Insurance area and the entire County of Parkland is now covered for the purpose of Crop Insurance.

BRUSH SPRAYING - 1969

The 1969 brush spraying program was discussed and it was moved by Mr. Bakker that the County Council be asked for direction as to brush spraying requirements and recommendations as to roads to be sprayed for brush and weed control in 1969. Carried.

RECLAMATION COUNCIL

The appointment by County Council of Mr. Moelhoff as a reclamation officer was discussed. Mr. Bakker recommended that an interpretation be obtained from the Department of the term "Administrative Officer" mentioned in Section 5 (4) of the Surface Reclamation Act.

It was moved by Mr. Bakker that recommendations be made to the County Council that Mr. Moelhoff's salary be reviewed in view of extra responsibility as Reclamation Officer. Carried.

Mr. Moroz of Moon Lake was present regarding his application as assistant Agricultural Fieldman. Also present for the same purpose were Mr. Jerry Zomeran of R.R. 2, Stony Plain and Mr. James Bradley of Courtney, B.C.

After considerable discussion it was moved by Mr. Vowk that recommendation be made to County Council to appoint Mr. George Moroz of Moon Lake, Alberta as Assistant Agricultural Fieldman for the County of Parkland No. 31. Carried.

and any donations will be gratefully accepted. The club is also in the process of re-organization of all the baseball teams.

If anyone in Tomahawk has any news of interest would they kindly contact me at 339-3951. I would certainly appreciate it.

TOMAHAWK NEWS

Mrs. David Brown of Tomahawk has just returned from a holiday at the coast. She was away for six weeks visiting with her sister.

Sympathy of the Tomahawk district is extended to the wife and family of Mr. J. Johnson who passed away suddenly on Friday, April 11th. Mr. Johnson lived in Berry Moor for over 40 years and was one of the old timers there. His many friends will certainly miss him.

Mr. and Mrs. Ronald Thatcher from Parksville, Vancouver Island, were recent visitors in Tomahawk and Berry Moor.

Congratulations to Mr. and Mrs. Steve Lysak on the birth of a fine boy.

Glad to see that Mrs. Marian Medd is home from the hospital again. Hope you're feeling better now Marian.

On March 29th, the Tomahawk and District Community Club held its annual meeting. It was a fairly good meeting considering the poor turnout. However on April 14th the regular meeting was held with a perfect attendance.

Election of officers took place as follows: Pres., Albert Martin; Vice-Pres., Mrs. Olive Case; Sec., Mrs. Carol Nimchuk; and Treas., Mrs. Alma Shadeck.

Our club is planning a white elephant sale sometime in May

MAGNOLIA NEWS

During the evening of Friday, April 11th, the Magnolia Hall resounded with good music and merry laughter as folks enjoyed an evening of dancing. The music was supplied by Al and Wade Roth, Mrs. Mottram and Bruce Anderson.

The winners in the first hockey pool held were Layeme June with the correct score for the first period and Betty Strangway with the final score. Congratulations to both of you.

Mr. and Mrs. William Anderson and Thelma visited relations in the district on Sunday, April 13th and Monday, April 14th.

Gordon Campbell dropped in for a chat with the Walter Campbells before leaving via airplane from Edmonton for Milano, Italy. He will be gone approximately two weeks.

Mr. and Mrs. Allan Walker accompanied Don and Connie Rose to Slave Lake to attend the wedding of Doyle Walker and Miss Freda Bevoire, on April 11th. Doyle is Allan's nephew. The group drove to Flatbush to spend the evening and night with Mr. and Mrs. A. Henderson. Mrs. Henderson is Allan's sister. After the wedding and dance, they proceeded to Watino to visit Mr. and Mrs. Dave Sample. Mrs. Sample is a long-time friend of Mrs. Walker's. They report having a wonderful time but are glad to be back home.

Mrs. L. Saretsky had a lovely afternoon visit on Wednesday, April 9th from Mrs. Marskell, who now resides at Valley View.

It would appear that this is the time of year for weddings. Dean and Betty Strangway attended a friend's wedding in Edmonton on April 12th.

Mr. T. Pierce has been visiting his daughter, Evelyn Cameron, and her family for a few days during Easter week. He returned to Edmonton with Hazel and Orest, on Sunday, April 13th.

The M. Nobert family spent Easter Sunday in Edmonton with Mr. and Mrs. Munson. The three Nobert children spent part of their holidays in Edmonton. Betty Kordich and Buddy Munson enjoyed a visit during the Easter week with the Noberts. A good time was had by all.

Many folks who know Dave Balfour will send best wishes to Dave and his wife, Sylvia on the birth of their daughter Shelley in mid-March. Shelley is a little sister for two-year-old Shannon.

Miss Betty Schramm of Burnaby, B.C. is visiting with Mr.

and Mrs. Charles Anderson for the next two weeks. Betty is the granddaughter of Mr. Tom Colban who homesteaded a farm eight miles north of Magnolia shortly after the first World War. Betty tells me her grandfather, who also lives in Burnaby, is still in good health and is quite active.

While paying a brief visit to the Campbell household, Henry Sawatzky mentioned that he had taken his daughters to visit with his brother, Jake Sawatzky and family at Clairemont for a few days over the Easter holidays. They enjoyed the change.

Magnolia has some new residents. They are Mr. Jardine with his three teenagers, Les, Bonnie and Effie who live in the Eric Anderson home. They plan on staying in the district for a couple of years. Welcome.

How Does Your Garden Grow?

By Green Thumbs

No garden is complete unless it has a few herbs and vegetables to be used for seasoning and generally "pepping things up". The most everyday menus can be made much more attractive and tasty with the addition of herbs.

Dill is one of the more popular herbs which almost every gardener grows to aid in the pickling process, but try using it in soups, stews and sauces. Sage is used in almost all poultry dressings, and can be used fresh or dried for winter use.

Chives have a mild onion flavour and is delicious in salads and added to cottage cheese, it is a perennial and is well worth a little corner in your garden, just keep snipping off the tops. Parsley is a must, as it can be used in so many ways, dressings, sauces, etc., as well as a garnish, used fresh in season and dry for winter storage. You will find that it grows quite successfully indoors when planted in pots this way you can have fresh parsley all year.

Garlic is becoming more widely used in the last few years, and can be grown very easily. A lot of "Gourmet" dishes include this very pungent vegetable, so if you have not had much experience with it, just add it in small quantities at first.

Leeks are a variety of onion that is not very familiar to a lot of people, you have probably seen them in your local grocery store, they look like overgrown green onions, but have a flavour that is unsurpassed when making your home made soup. Plant them in a trench and gradually hoe the earth around them, as you would for celery.

Sweet basil, rosemary, thyme sweet marjoram, summer savoury and anise, are also a welcome change when added to many dishes. Herbs do not take up a lot of room in the garden, and do well if planted in wide patches rather than rows, or several can be planted in the length of one row, as you do not need a large quantity at one time.

Lavender is nice to have in your garden, although I have never become aware of any way of eating this plant, it is very fragrant and when gathered in bloom and tied to dry in fine net (or pieces of old nylons) it will make your linen cupboard smell good, and also help discourage moths.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending April 19th, 1969 provided by the Livestock Division, Canada Department of Agriculture.

RECEIPTS	CATTLE	CALVES	CATTLE	CALVES	HOGS	SHEEP
This Week (est.)	7400	6025	1375	1700	35	
Last Week	6080	4681	1399	1764	74	
Same Week 1968	5263	4236	972	2031	75	

SUMMARY:

Fine spring weather along with improved road conditions and a firm market brought a liberal increase in cattle offerings for the week. Sales were predominately replacement cattle and calves with some increase in the volume of slaughter steers and heifers. Trade opened on a very strong and active basis but slackened off somewhat as the week advanced.

Slaughter Cattle- Butcher steers opened fully steady under a

strong undertone with sales to 30, 40 for choice handyweights but were generally 25 or more lower in closing trade with only a few sales to 30. Choice butcher heifers also sold briskly early with sales to 28.70 but closed 25 to 50 lower at a practical top of 28. Good to medium butcher cows sold strong to 50 higher under a good demand early in the week, but were mostly a full dollar lower in closing trade at a practical top

of 22.50. Cannerns and cutters were generally steady throughout. Good bulls generally scarce selling 50 to \$1 lower. Veal calves \$1 to \$2 lower in closing trade.

Replacements - Stock and feeder steers continue to sell on a firm basis under a good demand with medium and common quality high in the quotations. Good feeder heifers were mostly 50 to \$1 higher. Stock calves generally steady with a few good lighter weight steer calves topping 37 during the week.

Last week's shipments off the Edmonton yards - East 64 slaughter, 400 feeders. West 230 slaughter. Southern Alberta 990 feeders.

(Closing Quotations)

SLAUGHTER CATTLE

Choice steers 29.25 to 30, good 28.25 to 29, medium 26 to 28. Choice heifers 27.50 to 28, odd sale higher, good 26.50 to 27.50, medium 24.50 to 26. Good cows 22 to 22.50, sales to 23, medium 19 to 22. Cannerns, cutters and shells 14 to 17.50. Good bulls 21 to 22.

REPLACEMENTS

Good stock and feeder steers

(600 to 750) 30 to 33, (750-up) 27 to 30. Common to medium 22 to 27. Good stock and feeder heifers 24 to 28, common to medium 18 to 23, stock cows 18 to 21.

CALVES

Good to choice veal 36 to 40, Good to choice butcher calves (400 lbs. up) 25 to 30. Good stock steer calves 31 to 36, common to medium 23 to 30. Good stock heifer calves 27 to 31, common to medium 20 to 26.

HOGS

Butcher hogs sold 20 higher Monday at 27.20, were 27.50 Tuesday and sold Wednesday and Thursday at 28 base price. Boars 9.50 per cwt. less discounts on thin boars. 550 feeder hogs sold Tuesday and Thursday afternoon ranging from 25 to 32 for heavier kinds. Light feeders 50 to 70 lbs. sold from 18 to 25.75 each.

SHEEP & LAMBS

There were no choice or good butcher lambs on offer to establish quotations.

The trouble with the chronic borrower is that he always keeps everything but his word.

EVANSBURG NEWS

Back in school and hard at work for the last stretch of the school term after the Easter holidays are the students and teachers. Report cards are due soon again so everyone is right back in the swing of things.

The members of the 4-H Clubs held a meeting on the 10th, in the Evansburg School. The members viewed a film on beef judging preparatory to going to a judging competition at the Cormie Ranch on the 11th.

The members of the Forage Club were given their seed for those planting the Junior Plots. The members discussed the tour they wish to take as soon as arrangements are made. They also presented us, Mr. and Mrs. Bruner, with a beautiful picture in appreciation of the work they said we did. I wish to say that we really appreciate the picture and thanks very much for their thoughtfulness.

Mr. and Mrs. Collinge from Winfield were visitors at the C. Ostertag home recently. Mr. Collinge was on the teaching staff here in Evansburg last year. Several of the residents were

without water recently when the pressure in the water tower was down because of the ice in the river. However, it didn't take our town foreman too long to remedy the matter.

The members of the FUA sub district five, held their annual convention and supper at Wildwood on the 11th. It was very disappointing that not more of the members showed up for this event.

I was fortunate enough to go and hear the 4-H public speaking finals at Duffield on the 12th. It was very interesting to listen to the contestants and afterwards a very enjoyable lunch was served by members of the Duffield Club, compliments of Snow's General Store of Duffield.

The 1st Pembina Valley Group Committee held a meeting on the 16th. Final plans were made for the parent and son supper to be held on April 30th. Plans were also made for the boys to pass special tests in order to finish earning their stars and badges.

Several folks from around the community attended the piano recital by Marek Jablonski which

took place in the Evansburg School Auditorium on April 12th. This event was sponsored by the Kinsmen and Kinettes of Evansburg.

A baptism service was held in the United Church on the 13th. The following were baptized; Louise Katherine, daughter of Mr. and Mrs. A. Pauldoro of Evansburg; Marie Francis, daughter of Mr. and Mrs. A. Dimer of Wildwood; Robert Lyle, son of Mr. and Mrs. L. Otto of Edmonton and Kerry Lynn, daughter of Mr. and Mrs. G. Lorenz of Evansburg.

Observing her birthday recently was Mrs. H. Greaves. Best of birthday greetings to you Mrs. Greaves and many happy returns of the day.

And the first of the arrivals in our backyard family made her appearance this morning. This happens to be a black and white pinto foal and belongs to our old faithful Valentine. And not to be outdone by a mere pony, we hear that on the B. Hutchinson farm a cow gave birth to twin calves, the first twin calves to be born on this particular farm. At last report, mother and offspring were doing fine.

Rebel Hockey Club boosters Art Munro (L) and Frank Novosel are shown here beside the trailer being raffled by the club. Draw will be made at the annual steak barbeque and dance in the Elks Hall, Friday, May 2nd.

Sunday visitors at the Simons were Mr. and Mrs. M. Reich and family of Tomahawk and Mr. and Mrs. Alfred Gering and family of Millet.

F.U.A. Local Seeks Better Attendance

The Millbank F.U.A. Meeting was held on Saturday, April 12th with very few members in attendance.

A letter from the F.U.A. was read stating what the Farmer's Union has accomplished in the past year.

It was agreed amongst the members present that if the attendance at the meetings does not increase the doors will definitely be closed. A famous saying is - "Most farmers want to reap the crop but not sow it." Hope it rings a bell!

The next regular meeting will be held on Saturday, May 3rd with the three draws for the raffle to take place.

Registrations Mounting For Skating School

Openings in the summer skating school are being filled rapidly. The school is scheduled to open June 30th and will be accommodating from 60 - 80 students daily. Skaters from all AFSA and CFSA levels are registering for periods of from 1 week to 8 weeks.

May Food Outlook

OTTAWA--Consumers can expect beef prices to remain steady in May, according to the Canada Department of Agriculture's May Food Outlook. Following is a detailed analysis.

BEEF: Under a strong and regular demand for beef, wholesale prices can be expected to remain steady.

PORK: Wholesale prices may show some seasonal rise.

EGGS: Wholesale prices will be relatively low due to seasonally large supplies.

BROILER CHICKEN: (under 4 lbs.) Prices could ease due to heavy expected marketings.

POULTRY MEAT: Supplies of other classes will be adequate at relatively low and steady prices.

APPLES: Large storage stocks will lead to slightly lower prices.

ONION & CARROTS: Supplies are above normal. Wholesale prices will continue unchanged.

HOTHOUSE TOMATOES & CUCUMBERS: Increasing supplies will bring lower prices.

POTATOES: A seasonal rise in prices may be expected.

ASPARAGUS & RHUBARB: There should be increasing supplies of these field crops by the latter part of the month.

CANNED & FROZEN PEAS: Plentiful supplies make peas a good buy.

Registrations have been received from as far away as Regina Saskatchewan and Vanderhoof, B.C. as well as locally and from other points in Alberta and B.C.

The school will be open from 7 a.m. until 10 p.m. The skaters will be spending anywhere from 4 hours and up at the school. Lesson times and patch reservations are being booked on a first-come, first-served basis.

Local residents are co-operating in providing accommodation

for the out-of-town skaters. It is expected, however, that still more homes will be required to supply board and room for these out-of-town students.

Further information on the skating school may be obtained by writing either Mrs. Gwen Simpson, Drayton Valley Skating Club, Box 269, Drayton Valley, Phone 542-4249; or Mr. Harry Nevard, 6308 - 89 Avenue, Edmonton. Phone 469-7907.

The Fire Commissioner wishes to give public notice of a dramatic reduction in loss of life from fire so far in 1969. If this trend could continue bearing witness to increased knowledge and care on the part of Albertans, we could have the lowest fire death loss in many years. Up to this time, nine deaths have resulted from fire, comprising of five men and four women. It is noteworthy also that no children are listed as fire victims.

But here a word of warning may be timely. Warm spring weather means increased freedom. Children may quickly wander away and their curiosity may lead them to play with fire. Hence, extra care is necessary to keep matches away from children and to give constant thought to their whereabouts and activities.

Sundance 4-H Club Meeting

The regular monthly meeting of the Sundance 4-H Beef Club was held on Thursday, April 3rd. Sixteen members answered the roll call and a large number of visitors were present.

D. V. Highlights

BY MRS. EDITH DEBY

Mrs. Robert Gordon has been in Calgary caring for a grand-daughter while her son-in-law and daughter, Mr. and Mrs. Frank McEachern, enjoyed a skiing holiday.

Mr. and Mrs. James Cargill and family had a long-to-be-remembered trip to California this spring. They toured Disneyland, Marineland and Universal Studios where they saw Burt Lancaster. Imagine the Cargill's surprise to see the Peter Jacobs family while strolling along a sunny beach. The two families joined forces and took a tour of the Hearst mansion. This splendid estate was built by the late Randolph Hearst and it was here that he entertained some of the world's most famous personages. After her husband's death, Mrs. Hearst gave the property to the state and it is now open for tourists.

Lindsay Machan took a jaunt down to Nevada at Easter and when he was asked for his impressions of that state said "Lots of cactus and the farther south you go the more cactus there is".

Dan Cupid has been very busy around Dutch's Beauty Salon this

spring and as a result both Miss Penny Meier and Miss Charlotte Parenteau are wearing beautiful new diamond rings.

Mr. and Mrs. Dwayne Swensen will holiday in Hawaii later this month.

Excitement is running high around the Leif Stordalsvoll home these days. Starting in June the Stordalsvolls will have five weeks abroad. They are varying their modes of travel by flying to London, taking the famous Flying Scotsman to Newcastle and then going by ship to Norway. It is forty years since Mr. Storsalsvoll came to Canada with his father at a very early age. Although he served with the Canadian army overseas during the war he was unable to visit Norway before returning home. Mrs. Stordalsvoll has aunts, uncles and cousins in England and of course, there is all that sight-seeing to do, so it promises to be a very full five weeks.

Mr. Howard Jevne has purchased the sporting goods store from Mr. Walton and I wish to join with all Howard's other friends in wishing him every success in his new business.

BERRYMOOR NEWS

Mr. and Mrs. Eugene Schwartz are now living on the farm of Mr. and Mrs. John Johnston in the house that was formerly occupied by Mr. and Mrs. Gerald Roberts. It is a pleasure to welcome Gene and Judy back to Berrymoor.

Mr. and Mrs. Jim Martin and family motored to Creston, B.C. on the Easter weekend. While there they visited with Mrs. Martin's parents and also attended

her brother's wedding. On the return trip they stopped at Cowley, Alberta, where they lived before moving to Berrymoor last year. At Cowley they visited with relatives and friends.

The Easter holidays brought a number of former Alberta residents back from B.C. for a visit. We were happy to see once again, Mr. and Mrs. Ronald Thatcher and daughter from Parksville, Mr. and Mrs. Edwin Dahlgren and family from Campbell River and Mr. and Mrs. Hubert Cropley from Prince George. Welcome back folks and we hope that all of you enjoy your visit to Alberta.

George Van Ember spent a few days in Drayton Valley hospital. Hope you are feeling better now George.

Donald Martin spent a couple of days in the hospital where he underwent a complete dental extraction.

Get well wishes are extended to Mrs. Gerald Roberts who was a patient in the Drayton Valley Hospital last week.

Now that spring has arrived ball players are planning on getting out on the practise field. Any ladies interested in playing softball for fun and recreation are asked to contact Mrs. Edna Van Ember of Berrymoor.

Sincere congratulations are extended to Mr. and Mrs. Gordon Johnson (nee Lynn Gillespie) who were married on Friday, April 11th. The wedding took place in the Drayton Valley United Church and the reception, open house and dance were held in the Breton Community Hall. A number of residents attended the wedding

FALLIS NEWS

Mrs. Dennis Yates has been in the Stony Plain hospital where she underwent surgery recently. Best get-well wishes are sent to her from her many friends.

Mr. and Mrs. George Hurst of Victoria, B.C. were in Fallis for some time staying at the Hurst family home and visiting friends in the area. No doubt George noticed many changes since he lived here and went to school. George's father, the late Mr. George Hurst Sr. was one of the earliest residents in Fallis and it is said he built the first house in the Village.

Mrs. R. Patrick has the misfortune to break her arm and spent some time in the Stony Plain Hospital. She will be wearing a cast for 6 weeks or more.

Letters to the Editor

The Editor,
The Western Review
Dear Sir:

Re: Church Membership transfer to North Africa.

A week or so ago it was my great pleasure to transfer the membership of Mr. and Mrs. John Nagy from the United Church of Canada, Drayton Valley to the United Church of Tripoli, Libya, North Africa, at their request.

Both the Nagys were well and favourably known in this community, particularly within the Christian Community of our Church, and I am sure a number of friends would be interested in knowing they are carrying on, over there, the good work begun here, when they joined our fellowship in 1959. Mr. Nagy is of Hungarian extraction and Mrs. Nagy is Swiss.

Christian greetings from us, and the wish we might hear from them periodically, were included in the letter of transfer.

festivities.

Dennis Haight has been able to spend the last couple of weekends at home with his parents and brothers and sisters. This is the first time that Dennis has been able to leave the hospital since his injury last November. Being able to come home, even for a short time, must be a real thrill both for him and his family.

Our community was saddened on Friday, April 11th by the sudden passing of one of our old timers, John Johnston of Berrymoor. He will long be remembered as a good friend and neighbor. Sincere sympathy is extended to his bereaved family from each and every one of us. His funeral was held on April 15th at the Lindale Hall with interment in the Berrymoor cemetery.

We understand that Mr. and Mrs. Percy Laughlin and family plan to move to the Berrymoor district in the near future. Welcome folks.

Members of the Berrymoor Pentecostal Church attended a church conference at Poplar Valley this past weekend.

Ken Hildebrand spent part of his Easter holidays at the home of Mr. and Mrs. Harry Campbell.

Horsemen Invited to Attend Schools Planned

The Lariat Gymkhana Club will sponsor an eight hour course in farrier science and a week of calf roping school, the first part of June. The farrier science course will include: fundamental hoof care; proper hoof care; desirable and faulty conformation; corrective shoes; and a practical demonstration in proper use of tools.

The fee for the farrier science course will be five dollars. The calf roping school fee will be twenty dollars. The instructor will be Gary Cooper, professional farrier and 1965 Graduate of California State Polytechnic College, San Luis Obispo, California. Anyone interested in these courses may contact Cliff White-lock, Box 794, Drayton Valley.

Calf Tour Held By Tomahawk Club

The sixth regular meeting of the Tomahawk 4-H Beef Club was held on April 8th at the home of Mr. and Mrs. Goertz. We had our calf tour on April 9th and so far the calves are going real well. On April 11th we went to the judging competition at Connie Ranch. The Tomahawk Club sponsored it, serving donuts, cool-aid and coffee. There were six clubs participating. At our meeting we discussed the difficulties we were having with our calves. We had two reports on judging given by Fred Gruber and Jim Scheideman. Later lunch was served by Mrs. Goertz and co-hostess Mrs. Jouan.

Our next meeting will be held on May 13th at the home of Mr. and Mrs. Gruber.

Moon Lake News

A supper and dance will be held in the Moon Lake Hall on Friday, April 25th. Supper is from 6 to 8:30 p.m. and the dance starts at 9:30. Everyone is welcome.

The regular monthly meeting of the Moon Lake Community was held on Wednesday evening. One main item that was discussed was the Annual Picnic. The date was set for Saturday, June 28th.

The Whist Drive was held on Saturday, April 19th. Prize winners were: Mrs. Nickles, ladies high; Mr. Finnley Shaw, mens high; Vi Cherrington and George Eagle, low. Mrs. Kay Reich and Mrs. Nickle took home the travelling prizes. This was the last whist drive till fall due to the busy season coming up. The dates will be announced then.

The Moon Lake Bingo is on Thursday, April 24th.

RETURN FROM SOUTH

Mr. and Mrs. Rex Burrows arrived home last week after several months vacation in California. They enjoyed golfing in mid-winter and both returned with holes-in-one to their credit.

Dr. William Gunn, one of the world's leading naturalists, trains a highly sensitive microphone towards the sound of a Canadian songbird whose call will then join Dr. Gunn's bird, insect and animal "sound library". The authentic bird calls of springtime recorded by Dr. Gunn are featured on an award-winning CBC radio program, Voices of April, to be broadcast on the CBC radio network, Friday, April 25 at 6:30 p.m.

Lariat Club Makes Plans To Resume Gymkhanas

The Lariat Gymkhana Club held its first directors meeting of the season on April 15th at the home of Cliff and Audrey White-lock. It was mainly for the purpose of arranging gymkhana dates for the coming season.

The first gymkhana will be a practice run on the fourth of May. If the weather permits, the gymkhana will start at 2 p.m. and will not count towards trophies presented at the end of the year. It should show just how much out of practice the horses are and how much work will be needed before the next point-scoring gymkhana.

Regular gymkhanas will start on the 18th of May and from then on will be held on the first Sunday of each month.

Membership fees may be handed in to Eileen Hoge on May 4th. Prices are as follows: Adults \$5, Intermediates \$2, Juniors \$1, Associate member \$1.50 and Family \$10.

It was decided to start events with the whistle this year, instead of the flag. Starter Dave Schmidt says he will soon be able to cut himself a willow to make a whistle. Some race meets will be held through the summer months but dates for these will be decided later on.

The annual trophy banquet will be held on October 17th, in the Elks Hall.

Walter Meston of the Lariat Club has been elected to the board of directors of the Appaloosa Horse Club of Alberta.

WHO'S NEW... And now for our gymkhana version of Who's New. The Whitelocks have a new filly and so do the Duperrons after an extra three week wait. They thought it would never come. The Sullivans have a stud colt as do the Stewarts. The Mestons quarter-horse mare had a buckskin filly last night. No Appaloosa markings as yet, but we can always hope.

CORRECTION

An error occurred in last week's ad for "The Bargain Centre".

The ad should have read, "Bringing in boxes and boxes of clothes", not "bring in boxes" as it appeared in the ad.

We regret any inconvenience caused.

WABAMUN NEWS

Mrs. Lorne Anderson and the new baby Laura Lea are home from the hospital and both are doing well.

Mrs. A. Loyer is away to Vancouver for a holiday.

Mrs. Greenbank is the new Amway distributor for this area, and anyone wishing to get in touch with her phone 646-2533 and she will be pleased to call on you.

Mr. and Mrs. L. Burke and family of Rimbey, Alberta and the former's mother Mrs. Burke of Saskatoon, Saskatchewan, were guests at the home of Mr. and Mrs. R. T. Ward last weekend.

Molson's honored the Wabamun firemen on Friday, April 11th with a lovely supper and dance. I think by all reports that all had a wonderful time.

Mr. and Mrs. G. Simmonds flew to Toronto for a few days. While they were away, Mrs. Simmonds Sr. of Edmonton looked after the children.

I have a correction to make in regards to the sale that the Wabamun cubs are having. It is on May 10th instead of May 3rd. I am sorry.

Mr. and Mrs. J. Drinkwater and family of Edmonton and Mrs. Halwas and daughter Gloria of Edmonton were guests of Mr. and Mrs. D. M. Roberts recently. Mr. G. Brudersheim of Edmonton was a weekend guest at the Robert's also.

Dr. Maclure to Speak on Africa

THANK YOU

We would like to express our heartfelt thanks to all our friends and neighbors for their many acts of kindness during our recent bereavement. Special thanks to those who sent donations to the Heart Fund and floral tributes.

Mrs. Florence Johnston and family.

We wish to thank our many friends and neighbors of the Rocky Rapids district who rendered such valuable assistance at the fire we had. Loss could have been much greater had it not been for your help. Thank You again.

Mr. and Mrs. W.H. Louth.

The Red Cross Water Safety Workshop will be held at the Capri Motor Hotel, Red Deer on April 26th and 27th.

Presentations by aquatic organizations of the province, standardization of examinations, and procedures at all levels using local swimmers will constitute the main part of the program.

The conference will be officially opened by R.E. Hingston, Chairman of the Water Safety Service, Alberta-N.W.T. Division; and the guest speaker at the luncheon will be Miss Elsie McFarland, Director of the Recreation Branch, Department of Youth.

Flaxseed acreage will rise 62 per cent this year to 2,468,000 acres, the highest acreage in recent years. The above chart shows the record season was 1957-58 when 3,500,000 acres were planted.

NEW PRODUCTS

In a recent Canadian Homes Magazine, some new developments in kitchens were discussed.

Coming has come out with a smooth surface cook top. Small designs indicate where saucepans are to be placed.

A few years ago, built-in vacuums were very impractical. Price is now more reasonable and certainly the convenience is worth it. On company has put out a model that will pick up spills and other damp material such as furniture upholstery shampoo.

I really like my self-cleaning oven. Unfortunately, manufacturers seem to be putting this feature only in the more expensive models this year. It's a real

shame because many women don't want or require the top of the line model. The latest development is an oven that cleans at regular cooking temperatures. A catalyst built into the wall of the oven enables you to clean as you cook. We'll have to wait to see how satisfactory this is.

ALBERTA WOMEN'S WEEK
Programs are not yet definite but dates are. Reserve these spots on your calendar: July 7th - 10th Fairview, Alberta; July 14th - 17th Olds, Alberta.

CERAMICS? WEAVING?
Lena Halgensen spoke to the St. Paul Women's Institute on the 9th. I accompanied her and found her subject area most interesting. She dealt chiefly with creative needlecraft - stitchery and rugmaking - but would like to have courses in needlecraft as well as in ceramics and weaving or whatever.

If you'd be interested in learning a craft, call Syd Moore your recreation director in Stony Plain.

Recreation Round-Up

Mike Gormley

BASEBALL SOON

The favorable weather is bringing the baseball season a bit earlier than in past years. In fact in most cases the ball grounds are well dried out and with a bit of maintenance would be in mid-season form.

Just what the baseball picture will look like this spring is rather difficult to tell at the moment. Registration forms are now available at the Recreation Office and after the majority of registrations are completed and returned, then we will be able to decide just how many leagues and how many teams we will have playing in our baseball program this spring.

From here it would seem that the pattern will closely follow that of past years. We will likely have town leagues at the Little Canadian and Mite levels serving boys between the ages of seven and twelve years. Possibly there will be three or four teams in each league. The schedules will begin early in May and end with the school year before July 1st.

Teams in the Little Canadian, Bantam and Midget categories from Drayton Valley will most likely compete in their respective sections of the Oilfield Minor Baseball League again this year. A meeting was held recently in Warburg, and attended by a delegation from Drayton Valley to discuss plans for the coming season and schedule in the Oilfield League.

If enough interest is shown, we would organize a juvenile ball team here in Drayton Valley. All boys who reached their sixteenth birthday previous to January 1st of the playing year and who had not turned eighteen before that date would be eligible for this

team. A survey is presently being taken in this respect at the Frank Maddock High School and if it is found that the interest warrants it, we will go ahead with the formation of such a team.

At present before we go any further we would like to let it be known that we are in dire need of coaches at all levels and for all teams. We might be looking at as many as twelve teams, so if you feel inclined to coach any category of Minor Baseball, we need your help during the next two months at least. Drop in at the Recreation Office or phone 542-3327.

HEALTHY RESPONSE TO HOCKEY SCHOOL

The interest survey run during the past two weeks on the proposed Summer Hockey School planned for the Centennial Civic Centre in Drayton Valley in August has received satisfactory response during the past week. The proposed number of prospective candidates for the school has not yet been reached, however, survey forms are coming in from day to day and it would seem that the required interest in the school will be shown. The interest survey will be open until the end of the month, so any interested party can acquire an interest form at the Recreation Office, complete it and return it before May 1st. At that time, if the interest is deemed to be satisfactory and enough response to the survey forms has been received, immediate action will be taken toward the organization

and official programming of the school which is set for the last week of August.

The proposed school will consist of instructional sessions of one and one half hours on the ice each day, preceded by a fifteen minute instructional period and followed by a fifteen minute session on conditioning, training and off-ice skill practices and an occasional film.

In all cases, first class instruction from top amateur and professional personnel. All Minor Hockey players ranging in age from 8 years to 18 years are eligible to attend this school. The fee for the entire school will be \$30 per player.

Anyone interested in this hockey school should contact the Recreation Office at the earliest opportunity and definitely before May 1st. If the interest in the school exceeds the number that can actually be accepted, then it will be on a first come, first served basis, with the earlier applicants getting preference. So, if you are interested, let us know now. The sooner the better for all concerned.

SWIMMING TIME

Preparatory work has begun on the Drayton Valley Swimming Pool. The tentative opening date is set for Sunday, May 25th, however, because of the nature of much of the preparatory work such as any repair and painting of the pool tank and the question of suitable weather this date could change as much as a week ahead or back, depending on circumstances.

Miss Linda McMorris, presently attending Mount Royal College, in Calgary and who has been on the pool staff for the past three years has been hired as Chief Lifeguard and Pool Supervisor for the coming summer. Linda's duties at the pool will start during the last week in May, on the completion of her studies at Mount Royal.

The other summer staff member hired to date is Mrs. Rubyrose Vig who will again serve as cashier at the local pool. Mrs. Vig has been in this position ever since the local pool opened in

Several Interesting Items For Regular F.G.A. Meeting

When the Pembina Oilfield Fish and Game Association holds its regular meeting at 8:00 p.m. on Thursday, April 24th at the

1962 and she also serves in a cashier capacity at the Civic Centre during the winter months.

From here on the summer program will be rapidly progressing. It will be baseball, swimming, tennis, gymkhana etc. But winter activities will return very early this year. The Figure Skating School will get under way on June 30th and run through to August 24th, after which the Hockey School will take over the Civic Centre for a week. A busy summer coming up! By the way, don't forget the Lions' Bingo at the Civic Centre Friday evening, April 25th.

Goliad Office Building, the members will be presented with several interesting reports from committees on such matters as the finalization of a rifle range site, Hunter Training Class Instructor Qualifications, Junior Forest Warden Club Progress and fund raising ideas.

President George Hart has requested all committee chairmen to have a report ready for the meeting and has advised that Mr. Paul Morck of the Alberta Fish and Game Association will be on hand to discuss the Liability Coverage afforded to members by their Fish and Game Association membership.

The meeting will be rounded out by a film presentation.
